1 3. At the Toys-R-Us, I asked a salesperson to search the store's inventory for
2 any products manufactured by Rand International sold at that store. According to the salesperson,
3 eight (8) Rand International products are listed in the Manhattan store database, one of which is
4 an 18" Strawberry Shortcake Bike. The only item currently in stock was a Spider-Man inflatable
5 swim ring. A copy of this Toys-R-Us inventory query is attached as Exhibit A.
6

7 4. In addition, I searched for Rand International products on Toys-R-Us'
8 website and found that Toys-R-Us Canada is currently selling two Rand International products on
9 their website (www.toysrus.ca). One is a 14" BMX Spider-Man 3 Bike, the other is a 31" Spider-
10 Man Skateboard. A copy of these webpages is attached as Exhibit B.

11 5. I declare under the penalty of perjury pursuant to 28 U.S.C. § 1746 that the
12 foregoing is true and correct.

Disappointing

By E-shopper mom from Gatineau, QC on 7/31/2008

Pros: Shipping was quick**Cons:** Lacking in decoration**Describe Yourself:** Beginner**Bottom Line:** No, I would not recommend this to a friend

This product was disappointing as the spiderman decorations are only on the bottom of the board. The top of the board is solid black. Defeats the purpose given the age range that it is intended for. Let's face it no one goes out of their way to get a board that is only half decorated. My son waited with great anticipation and the disappointed look on his face meant that sadly, it would be returned. I expect that kind of thing from thrift stores, not from Toysrus.
